January 31, 2010

Re: San Diego County Water Works Group (SDCWWG)

To all our Valued Members, old and new:

It's that time of year again; time to renew your annual membership in the San Diego County Water Works Group.

As you know, our non-profit group is supported only by you — the members. The primary mission of the group is to provide resources and opportunities for our members and to provide educational support through dinner meetings, contact hours, vendor's fairs, seminars, and scholarships. Every year we award as many scholarship dollars as we are able, to worthy individuals with a connection to the water industry. Eligible scholarship recipients include members, member's spouses, and their direct dependents.

Membership dues are an important part of our funding, and we ask that everyone keep their membership current by paying their annual dues. A Membership Application/Dues Statement is attached for your convenience. We sincerely appreciate your participation in the group, and we look forward to another successful year! Please feel free to contact me if you have any questions, comments, or ideas.

Sincerely,

Carl E. Hoffman
2010 SDCWWG President
